## Mr. Nord Announcing . . .

It is a real privilege to speak to the many readers of our school annual, *THE TRADEWIND*. The year 1955-56 has been a momentous year in the history of the Minneapolis Vocational High School. We have witnessed the completion of one of our great dreams, new and improved facilities for our education program: a beautiful auditorium, a new lunchroom and recreational area, a music suite, and many other necessary additions.

A year ago we watched with much satisfaction the ground-breaking and preliminary planning for the setting of the footings for the steel structure. It was so important that our new addition have a broad foundation, footings capable of withstanding many times the proposed weight of the new building when occupied

to capacity. We marveled at the intricate detailed working drawings prepared by experienced architects and how craftsmen representing many trades understood this universal language and, using their varied and skilled talents, molded together materials of many kinds into a beautiful addition to our school.

We must plan to use these fine educational facilities wisely so that you—the students of today, our products, the citizens and tradesmen of tomorrow—will have the knowledge, skill, understanding, vision, and faith so necessary for our country's survival as a major influence for good in the world today. Your success in life will depend upon the firm foundation you have built through your training program here at Vocational.

## Co-ordinators and Administration help us plan our futures . . .

Mr. Norman Jensen, Assistant Principal, succeeded this year to the post held by Miss Margaret Thomson, who retired last year.

Mr. Wilfred McGimpsey and Mrs. Grace Kenyon, Co-ordinator, enjoy themselves at the Senior Banquet.

# These are the Wheels who cheerfully manage . . .

↓ A familiar sight to absentees is Mrs. Hummel and Mrs. McLaughlin, attendance clerks.

▲ Mrs. Bea Conley buzzes cheerfully away at her switchboard, while Mrs. Wilkins looks contented in her new office. ►

◀ John Naslund, Bookkeeper, happily receives Pat Warhol's **Tradewind** receipts for the day, while Mary Pieniondz gets information from Mrs. Brophrey. (Mrs. Brophrey later in the year was transferred to a position as Mr. Nord's secretary.) ►

◀ Sharon Christenson and Barbara Blodgett get some advice from Mrs. Noreen Stiehm. (Mrs. Stiehm left us later to work in the Central Office Music Department. We were sorry to see her go.)

Miss Mildred Heir, Chief Clerk, smiles engagingly in the midst of her work: there is usually a lot of it! ►

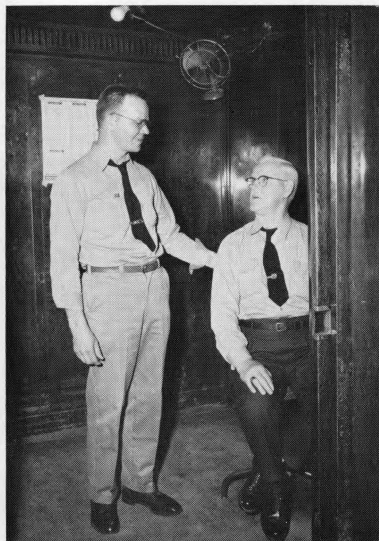

Our helpful maintenance crew: Front row: C. L. Johnson, Chief Engineer; J. McKenzie, Mrs. Mabel Smith, A. Johnson, E. Severson. Second row: C. Guertin, J. Kobs, S. Dahl. Top row: V. Smith, J. Theis, H. Berg.

Mr. Johnson ponders a building permit while Mrs. Smith sympathizes.

## ... our building routine

▲ Onnie Berg, one of our popular maintenance crew, chats with Art Johnson. Art got the sitting-down job after Glen Perkins, the regular elevator operator, retired.

Mrs. McLaughlin hands out admit slips to absentees.

Mr. Reuben Schafer engaged in one of the routine, but very important jobs of the year. ►

Reading top to bottom, right: Mr. Robert Larson was curious about the *Better Homes and Gardens* magazine which published an article about Mr. Frostad . . . At Math Dept. meeting, Mr. Hendricksen, Mr. Eller, Miss Donnell and Mr. Boyer find the camera more interesting than Mr. Cappy Jones' slide rule demonstration . . . Mr. Birkeland and Mr. Donald Evans gaze kindly down upon drafting student Melvin Sand . . .

**Reading Clockwise:** Mr. Booth looks searchingly at John Lanz to make sure John understands . . . Miss Ziegler, left, and Mrs. Schoffman, right, can't seem to understand the humor of the situation, but Miss Myers is enjoying it, anyway; surprised by her students, Miss Ziegler was crowned "Queen" on Valentine's Day. Her "attendants" were Sharon Mohrman, Patricia Kinney, Madonna Orcutt, and Betty Linder . . . Soon after the last echoes of Vocational's day students have faded from these spacious halls, another wave of sound fills the building, for then Evening School students converge upon this center for further learning . . . John Naslund (glasses), Mr. Jennings (lower right corner of page), Miss Krost (black dress in "Homemaking" picture), and Miss Mo (standing), aid in Evening School registration.

Mr. Arent and Mr. Karbo, Tailoring Department, discussing a serious-looking document.

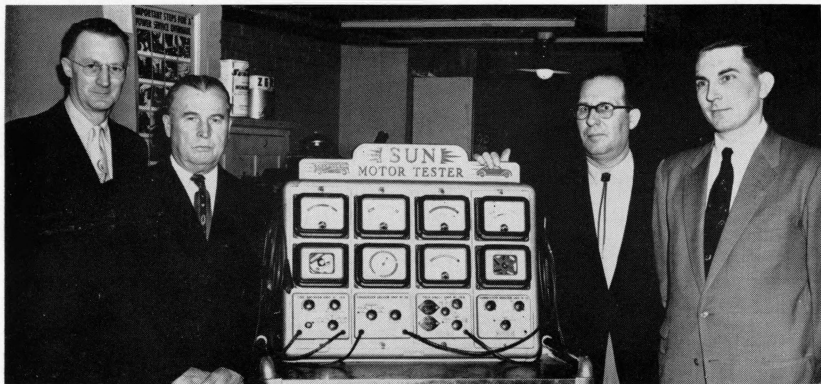

## Teaching a trade is a high service . . .

Mr. Robert Boyer, who teaches bookbinding and is new to our teaching staff, drops in to get acquainted with Mr. Fries, in the Machine Shop.

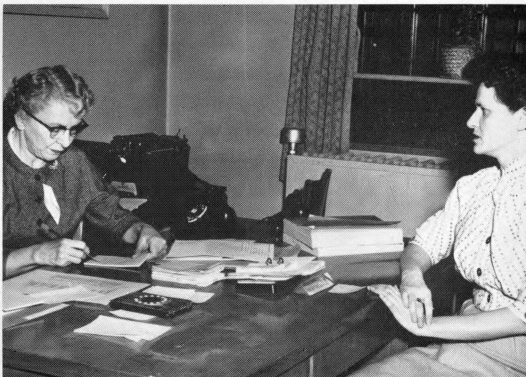

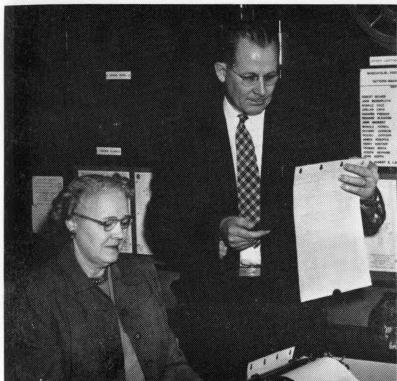

Mr. Peyla and Mr. Thole, being teachers of cabinet making, are very busy men.

Ready to leave the building after a long but satisfying day in the Auto Shop are Mr. Hinshaw, Mr. Spaulding, Mr. Rheinart, and Mr. Meyer.

## *Their aids and services are appreciated . . .*

**Reading clockwise:** Mrs. Peters does a great deal of typing and mimeographing for Mr. Oster, in the Curriculum office . . . Miss Dietrichson, Visiting Teacher, discusses several problems with Miss Christenson, School Nurse . . . A special service for veterans is located in our building, with Mr. Virgil Anderson in charge. Here he is seen with Mike Cicnil, a veteran in the Printing Department . . . Mrs. Layeau, Mrs. Halvorson, and Mrs. Dayton apparently enjoy their job of cooking in the student lunchroom . . . Frank Bielinski and Chuck Baker, day students, serve coffee to Evening School students.

One Johnson (Charles) wishes a happy retirement to another Johnson (Art).

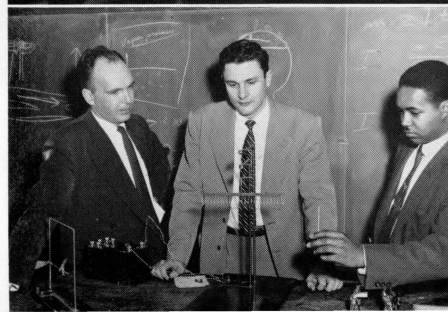

## All in a day . . .

Reading clockwise: Messrs. Van Doren, Swanson, Genaust, and Disser cast a coldly professional glance at a radio tube . . . Mrs. Belton and Mrs. Tarnowski examine a student's work . . . Mr. Schow displays, with Mr. Hall's help, a complicated looking drawing for Machine Drafting . . . Members of our Nursing staff, Miss Awes and Miss Woltman (seated), and Miss Budd, Mrs. Beatty, and Miss Toavs meet in the Committee Room to check preliminary plans for the year . . . Mr. Voss, Mr. Chambers, and Mr. Wheeler discuss a common interest—science.

## Another retirement . . .

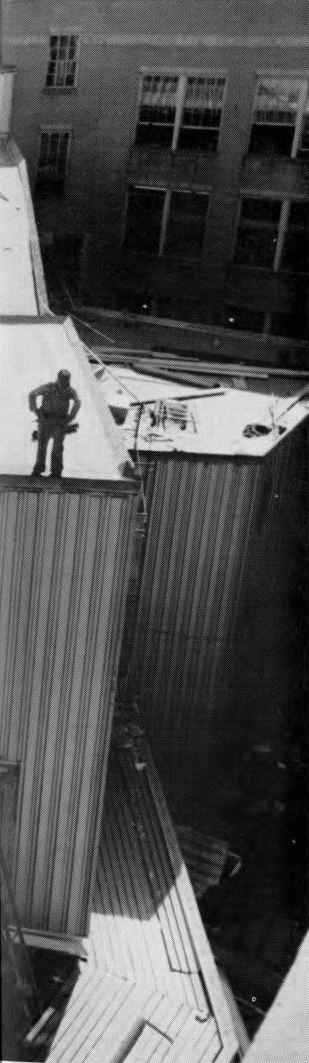

As we go to press, word of just one retirement so far this year has reached us. After many years of service to the public schools and to Vocational, **Mr. Henry Bertelsen** is leaving us. He will be especially missed in the Service clubs which he has directed so efficiently and faithfully. We wish him a well-earned change of pace!

What a nice sight to see, in October, 1955, these cozy looking walls covering the stark steel girders. The smell of hot tar along with the ever-present pounding and buzzing and drilling, pervaded our classrooms.

Picture taking days for the Sophomore and Junior Homerooms came with its usual hustle and excitement.

The first thing you saw when you walked into the girls' gym was a scene such as this.

Mr. Gordan Haga on the left, and Mr. Claire Peter-

son on the right, quickly but efficiently worked with one group after another. Amidst what may have seemed to be confusion, you were lined up, your picture taken, and your name written on a clipboard after you filed off the shaky risers.

**Pictures, reading clockwise:** Coach Cody advises Dave Anderson and Tom Lange . . . John Hackert goes up for the ball . . . and Bob Burke, Joe Hickey, Frank Frazier, and John Hackert fight for recovery of the ball.

As the football season came to an end, it found Vocational playing Central. Although we fought to the last second, Central's players were able to overpower us.

*We're proud of our football team . . .*

Mancini charges for a touchdown.

Louis Mancini runs for a touchdown, but despite the efforts of the team, we lost the game to Central 27-7.

**Swimming**—Left to Right: Jerry Sterzinger, John Monahan, Bob Kongar, Bob Kapela, Charles Meyers, Bill Bungert, George Zelenak; Roger Olson first at finish line.

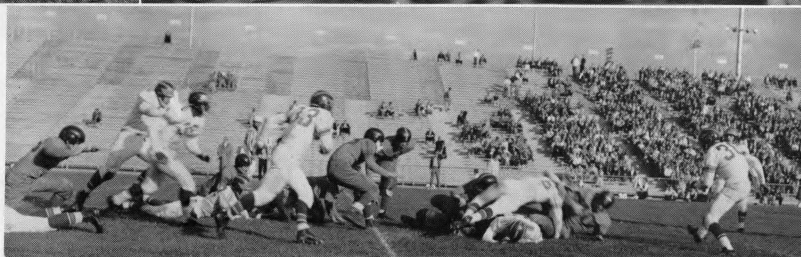

**SWIMMING**—Our eight-man swimming team, coached by Mr. Voss, worked hard the whole season but had only one win. The hard-fought victory from Edison gave the boys a boost, but despite all their efforts and hard work, the team fell before the rest of their opponents. Continued hard work will give us a seasoned team next year.

**HOCKEY**—The hockey team, under the leadership of co-captains Joe Lang and Jerry De Lude, opened the season December 13. The boys played hard during this game, but bowed to Washburn. This game was typical of the following ones, due to our players' lack of experience. Our Sophomore team is being built up and a stronger team is expected next year.

**Below**—Top row: Mr. Karbo, Vic Cossette, Fred Lies, Dennis Kuth, Dick Miske, Jim Yurick, Don Ditty, Tom Reid, Dick Robinson, John De Roy. **Bottom row:** Mike Regan, Joe Lang, Jerry De Lude, Doug Foss, Jim Hovda, Bill Branch.

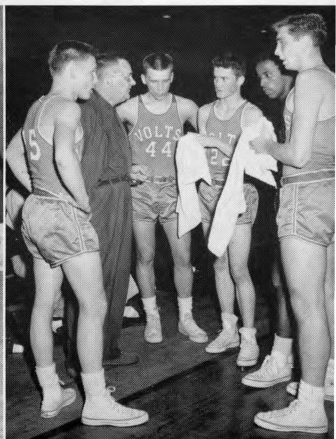

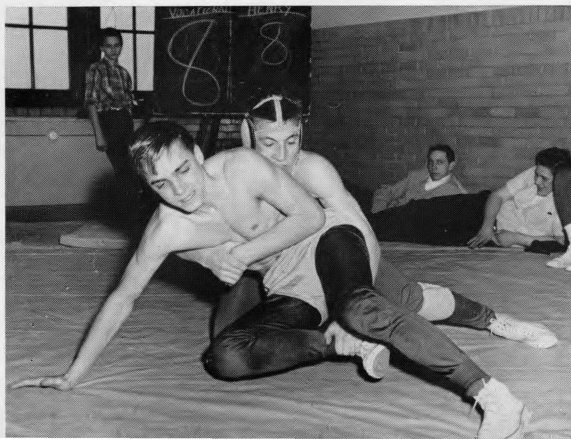

Reading clockwise from left above: Frank Frazier trips over an unidentified Central player as he tries for a touchdown . . . Line-up time for the Volts just before the Marshall game. The boys played hard but lost the game 48-29 . . . "Bop the Millers," our Homecoming slogan, put the boys in a fighting spirit as this picture

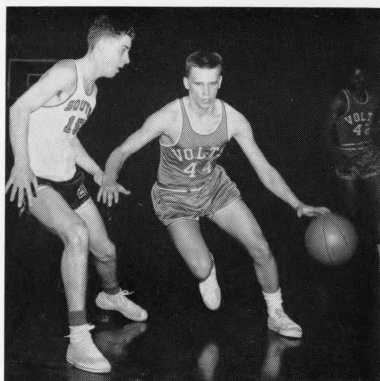

shows, but they were defeated by Washburn 55-33.

**Below, left to right:**

Jack Kugel, a senior, tried hard to pin his opponent from Henry . . . Coach Withrow gives pointers to Chuck Baker, Dale Jorgensen, Jerry Stark, Frank Frazier, and Doug Awalt.

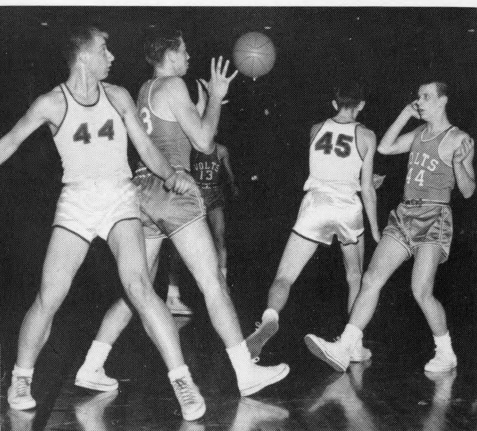

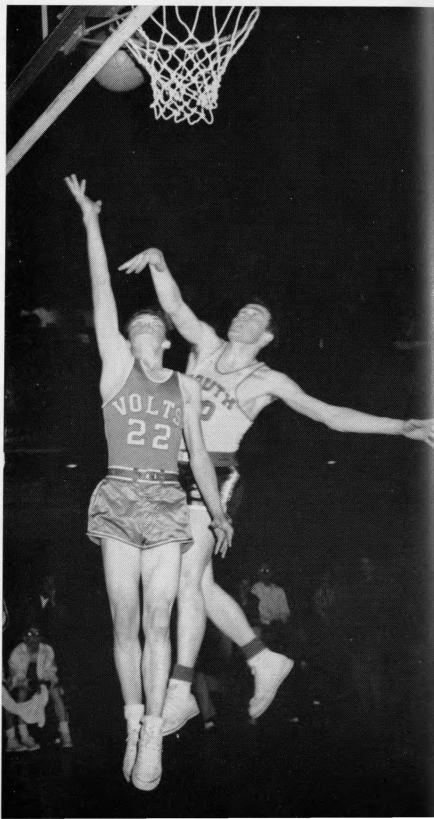

## Vocational plays a good game of basketball

If Dale Jorgensen can successfully maneuver the ball a little farther out of the reach of his South guard, it could possibly mean another basket for the Volts. Even with the combined efforts of his teammates, Vocational lost the game to South 54-51.

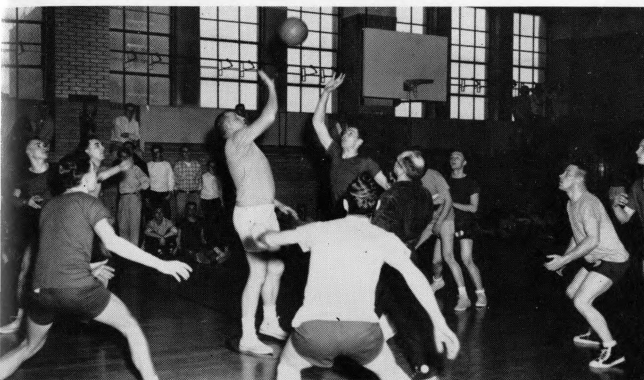

It looks as if Doug Awalt and Dale Jorgensen really have their guards stymied as to their next move.

Jerry Stark is not dancing with the unidentified player from South as it may appear. In reality, Jerry is bringing up the Volts' score, by making another basket for Vocational.

# Annual Varsity-Faculty benefit game

Mr. Cady and Doug Awalt jump for the ball. (That is, Doug jumps. Mr. Cady's feet haven't left the ground!)

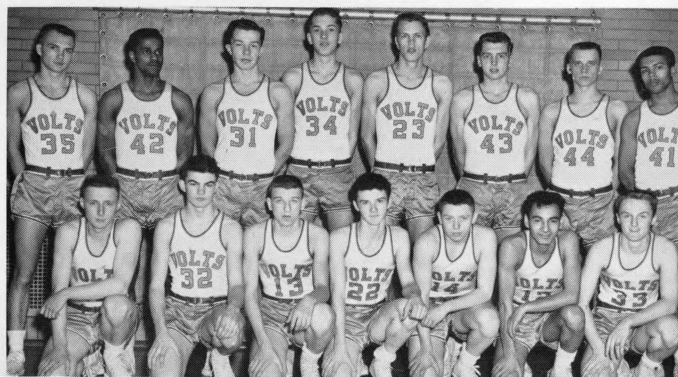

The annual **faculty-varsity** benefit basketball game, played March 7, grossed \$37.25 for the Red Cross. Mr. Clarence Booth and Mr. Vern Fiedler refereed the game and despite all efforts on the part of the faculty, the varsity team won 34-31. The game was a lot of fun for all players, a perfect way for the eight seniors to end their services to our team. They could be glad, too, because they evened the score with the Faculty team, who won last year's event.

As the basketball season comes to a close, Dave Castleman, Myron Humphries, Chuck Baker, Frank Bielinski, Dick Mruz, Doug Awalt, Dale Jorgensen and Ron Edward sadly play their last game for Vocational. The game, a benefit for the Red Cross between the faculty and varsity, was a win for the varsity squad. Most of the students watching the game were cheering for the varsity, while the referees, of course, were pulling for the faculty.

Our Sophomore basketball team will have to fill many vacant spots on next year's varsity team. With material like this to build from, how can we help but have a good team?

The baseball team is looking better than it has in the last few years. It has won two of five practice games, with our season opener May 1. The game was a rough, tough game, but we lost to North 3-2. The team won a difficult game from Edison by a margin of 13-6.

This year the wrestling team won six and lost four meets. Vocational was fortunate to have several of the city's outstanding wrestlers. Jack Erickson, undefeated for three years, won the city championship this year. Bill Douglas, Jack Kugel, and Burl Grigsby were runners-up in their own divisions.

In the middle picture, Jack Erickson, wrestling Cram of North, won his match, but all his hard fighting was to no avail as Vocational lost to North 41-9. In the lower picture Jack Kugel wins over Morehouse of North.

At the time this copy is being written, no one can guess the final outcome of our track team's efforts. We have a good team with LeRoy Apsley, Frank Bielinski, Robert Nepple, Louis Mancini, and Joe Yates.

## CROSS COUNTRY

The **Harriers**, led by Captain Robert Nepple, were able to win four meets this year over Edison, South, Edina and Hopkins. Of the twelve runners, Robert Nepple was first with Frank Stimpson and Ronald Krepela coming in second and third respectively.

## BADMINTON

### GOLF

Dan Decowski, the only returning letterman, was chosen as this year's captain of the golf team. The team plays its matches against other high schools at various courses throughout the city. We have reason to be proud of our team despite the inexperience of our

players. We are especially proud of Dan Decowski and Dick Thompson, our high-scoring men.

Also at Vocational we have a girls golf team, which has been doing very well. Weather had not yet permitted outdoor practice.

**Front row**—Dan Decowski, Jerry Volante, Gene Williams, Dick Thompson,  
**Back row**—Gary Able, Roger Swan, Wayne Cunningham, Lee Stark, Bob Boken. Also on the golf team, but not pictured, are Bill Cauffman and Hartley Rossom.

A lot of the "life" in our school goes on in the student lunchroom. This is how it looked when we returned from Christmas vacation, 1956.

## *A royal smile for Vocationalites—*

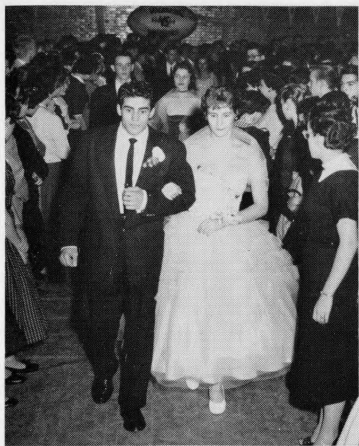

The school was brimming with excitement on that beautiful October day, for it was Homecoming at Vocational. On the morning of October 14, Joan Gerber, Student Council President, and Ron Braun, Vice-President, crowned Jane Quam, Queen Jane I, and Dallas Jensen, King Dallas I.

Everyone went to the game in high spirits, proudly displaying our homecoming buttons, "Bop the Millers". Our slogan seemed to be of no avail as we fell to Washburn 24 to 0. The royal party reigned over the game, riding through the crowd and waving gaily at everyone during the half. After the procession, the flag and baton twirlers marched to the center of the field where they entertained us to the accompaniment of the band.

To highlight this big day, we danced in the girls' gym to the music of Bob Bass and his orchestra. During intermission the royal party was presented to us. The Sophomore attendants, Jeri Bently and Wilson Simon started the procession through the crowd. They were followed by the Junior attendants, Sharon Faucher and Vic Cossette. Then the Senior attendants, Diane Nordgren, Janet Berg, Jerry Wrubel, and Danny Fay, led the royal couple up to the stage where Mr. Nord presented Jane a bouquet of roses and Mr. Jensen presented Dallas a carnation.

This was a wonderful way to end a perfect day. We were glad to have so many of our former graduates and friends here with us to help us celebrate our 1955 Homecoming.

When school opened in the fall, twenty-two new Seniors walked into Room 322. This was to be Production Headquarters for the 1956 Tradewind.

As the work started, piles of lists, pictures and stories began to appear. As the final deadline drew near and copy was turned in to the printers, a few of the '56

Staff and future members of the '57 Staff attended the Minnesota High School Press Association Convention at the University of Minnesota. Future members all agreed that the information they received at the Convention will help them tackle the big job they have ahead of them next year—the '57 Tradewind.

The **Craftsman**, which is our school paper, is one of our major activities. Under Miss Fisk's guidance the paper goes to press about every two weeks. Throughout the year they have gone to various press conferences

at the University, Duluth and Glen Lake Sanatorium. The staff have won awards for stories, art work, and for their sport page layout. This shows they have worked hard all year.

Everyone in the picture above seems so calm and unruffled—deadline time must be pretty far away!

... and in service organizations—

**Leadership Conference**—Dr. Gordon Mork of University of Minnesota talks to a group of students in the Radio Theatre.

**Conference** . . . Dr. Gordon Mork was the main speaker at this year's Leadership Conference. This conference was made up of student delegates who met mainly to discuss school life at Vocational. A group of former students attended in order to help them solve whatever problems were brought up. The group, as a whole, profited quite a bit from this conference. An outgrowth of this conference was the Leadership Club formed by the students themselves.

**Service Club.** "Good morning . . . Welcome to Vocational!" is one of the first things a visitor hears as he enters the school and is greeted by a member of our efficient **Service Club**. Meetings are presided over by President Sandra Quist and Secretary Sharon Kuta, and are under the guidance of Mr. Henry Bertelsen. Other activities of the club this year were checking coats and various other jobs at the Alumni Banquet, and helping people find their destinations at Open House.

The **Leadership Club** is an outgrowth of the Leadership Conference. Feeling among these students was that action should follow discussion, and so this club was formed. In prospect is a plan for organizing a Big Brother—Big Sister group to welcome new students to our school.

The Junior Optimist Club was started this year to promote safe driving. The club has a charter with the National Hot Rod Association and will sponsor any group who has an association charter. #### Agents handle subscriptions—

**Tradewind Homerom Agents**—These agents performed a very valuable service for the school by promoting sales of our school yearbook within their home-rooms, collecting money and subscriptions, and helping in the final distribution of the **Tradewind**. They worked directly with Pat Warhol, Business Manager for the yearbook.

Tradewind agents in picture below are—**Bottom Row:** Velores Olson, Nancy Kong, Debra Stieglmeyer, Pat Warhol. **Row 2:** Lois Strandberg, Pat Shea, Sandra Greh, Judy Simpson. **Row 3:** Louise Morrison, Judy Lerew, Rose Miskowicz, Don Lindberg, Wayne Lerew, Virginia Hedstrom. **Row 4:** Darlene Logan, Chuck Leckelt, David Cauton, Don Johnson, Lawrence Danielski. **Top Row:** Roberta Grave, Sandra Rasmussen, Bonnie Winge, Dan Levens, Charles Williams.

Clad in their royal blue robes, the Choir poses for a group picture before singing a Christmas concert.

**Choir**—The Vocational choir, under the direction of Mr. Thomas B. Cooley, has provided music for many programs this year.

The traditional caroling was presented in the foyer during the Christmas season. The choir also sang at a Christmas benefit for the cerebral palsied at the YWCA. They added a nostalgic touch to commencement as they and the Senior Class sang "Halls of Ivy."

**Faculty Quartet**—Only once this school year has the Faculty Quartet sung for the student body. This was at Christmas time. Mrs. Disser has accompanied these Christmas Concerts at the organ, while Mr. Disser has competently, as usual, handled the acoustics. The Faculty Quartet also sang for a Faculty Christmas gathering this year.

**Band**—Under the direction of Mr. Thomas B. Cooley, the band has played for all the important events of the year. Among these were the Homecoming Coronation and game, where the band accompanied the flag and baton twirlers in their traditional exhibition on the field; many football games, and a basketball game.

The trombone trio, featuring Dallas Jensen, Charles Grison, and Leonard Parsons, were featured in a concert given in the Girls' Gym by the band.

Highlighting the band year, a spring concert was given April 8th over KEYD.

## A glimpse of just a few . . .

### A few are recreational—

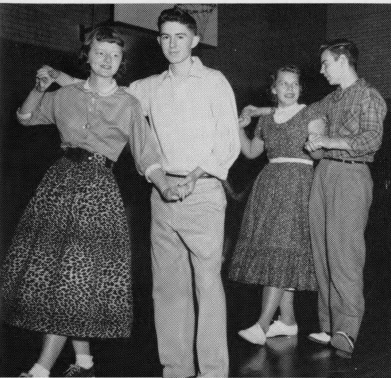

About every other Friday, a period of school time is devoted to organized group hobbies, functioning as clubs. Unfortunately, we do not have enough space to show all of these clubs in action . . . **Reading counter clock-wise:** The **Games Club** is purely for recreation. There is no attempt at organization, for there are no club officers—this no doubt adds to the fun and informality. The forty-three members play such games as cribbage, checkers, bingo, monopoly, and canasta . . . The girls' **Bowling Club** meets at the Y. W. C. A. where they can enjoy the best of facilities, and develop a healthful form of recreation which they can always enjoy . . . The **Flag Twirlers** practice formations on club days, and provide a lively kind of entertainment between halves of games . . . The largest membership of all the clubs is claimed by **Senior Dancing**, directed by Mrs. Lemke, who here seems to be enjoying the prospect of demonstrating one of the newer steps to surrounding seniors—and Bob Besst . . .

## . . . of our Clubs in action—

### A few are for service—

**Reading clock-wise:** Always the really big project of the year for the **Junior Red Cross Club** is the filling of gift boxes for needy children all over the world. Another fine project this year has been the preparation of two albums about Vocational High School, which were sent to schools in the Philippines and in Korea; and scrapbooks sent to hospitalized children in the Twin Cities area . . . The **Y-Teens**, open to all high school age groups, is a very popular club, offering the facilities of the conveniently located YWCA to girls interested in a varied program of style and fashion advice, personality improvement, social and recreational experience, the development of poise—the list is as endless as the ideas of the girls themselves . . . Always an attractive and peppy bunch are the **Pom Pom Twirlers**, who have a close association with the Flag Twirlers; members of the first semester Sophomores can become Pom Poms, and from second semester of tenth grade on, they are eligible, if skillful and adaptable, for inclusion in the Flag Twirlers . . . **Sophomore Mixers**, limited to 40 boys and 40 girls, is another popular organization. Miss Brannon of the YWCA has given dancing instructions this year . . .

# 'Open House' at Vocational attracts the public—

April is a good time for us to welcome the public, who turn out in large crowds to view our progress and meet our teachers. This year we were host to over four thousand guests.

**Reading Counter-Clockwise:** Visitors seem fascinated by the bony fellow occupying the well-lighted closet in the Nurses' department, where also a more life-like demonstration was given on how to wash babies . . . **Coffee and Cupcakes** served in the Tea Room helped to relax those who became tired after the long trek through our building . . . Always a popular stopping place for women is **Cosmetology** department . . . Mr. Nord proudly shows a visitor a handsome bedroom set displayed in the lobby, a product of the **Cabinet Making** department . . . Mr. Kaercher and a student display a few products of the **Sheet Metal** department.

## Spring Dance and Carnival—

This year a cozy crowd of about 350 attended the "April Showers" Dance sponsored by the **Student Council**, and Carnival, sponsored by the **Tradewind** under the direction of Pat Warhol. Jerry Dibble's orchestra played, and as usual, the Art Department did a wonderful job of decorating the girls' gym.

Other fortune tellers were Mrs. Turkington and Mr. and Mrs. Zalaznik . . . Darlene Yates and friends try their luck at another booth.

## *The Elizabeth Fish Memorial Auditorium—*

On May 11, 1956, the new auditorium looked like this. The finish line was in sight, and in another week, our first student program, a talent show, was scheduled for presentation, and sections for seating were assigned to home rooms.

Of course, there is much more here than meets the eye. This auditorium is designed to hold 1600 people. Here we have dressing rooms, performers' waiting rooms, scenery storage rooms, orchestra pit, a projection room with cat walk which leads to a light bridge; a movable organ; a lighting system capable of producing from 2 to 6600 watts: all of these things can be controlled by a monitoring system complete with microphones and telephones. And the basement of

the new area houses all the music rooms, the lunch room, and a large recreation area.

Yes, there is much more here than meets the eye . . . When we gazed at this new creation in our midst, we thought the ceiling lights had the look of stars, and somehow the soft reds and greens of this beautiful interior gave us a "homey" feeling. This was a place to cherish—a place to be inspired in—a place to come to when we wanted that "togetherness" of feeling which is sometimes called "school spirit".

And it will be here that each graduating class will sing their last song, "The Halls of Ivy"—and as time goes by, this Memorial Auditorium will gather and hold the lengthening memories of the years for all of us.

*On the threshold . . . . .*

So swiftly have our high school years rolled by, that now we pause for a moment to gaze out upon a new vista . . . what lies before us on this long pathway clouded in mist?

Will we be ready to face all that lies ahead with courage, self-discipline, and zest for life? Have we that certain vital spark to give us the power and drive to reach our goal?

All the resources of our homes and churches, school and community, are behind us . . . we are ready!

Carry on, Juniors and Sophomores! One day you, too, will be scanning the Horizon ahead, asking yourselves the same questions. May you, too, give the ringing reply—"we are ready!"
