TRADEWIND

Minneapolis Area

Vocational and Technical
School

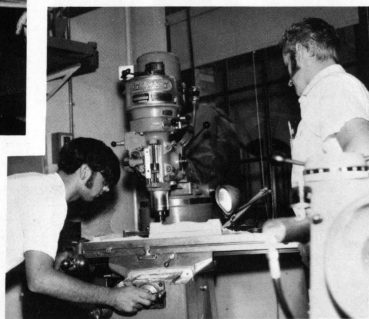

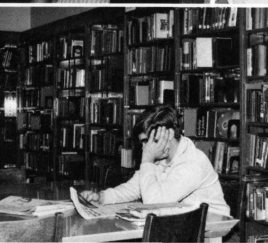

Minneapolis, Minnesota
VOLUME 44

INTRODUCTION

Few people are actually interested enough to read the introduction, and since there are apparently a few of you out there, we take this opportunity to write one for you.

Vocational is a unique experience. It is a hard thing to define, but it leaves you with many friends and memories. This book is designed with **you** in mind.

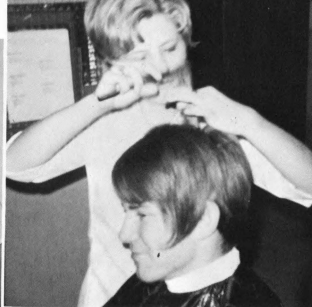

FACES

Happy faces, serious faces, unusual faces, but no typical faces in **our** crowd. Each an individual, while remaining a part of the whole.

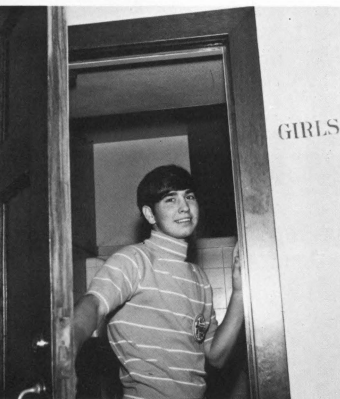

It's the quality not the quantity.

Only the hairdresser knows for sure.

Those *&!\$ books!

Here I come ready or not.

You interrupt me one more time!

Hurry, hurry, hurry!

Group therapy.

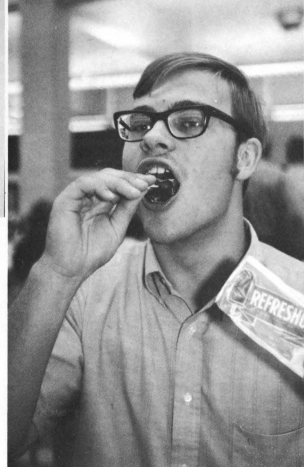

I'll use head and shoulders just one more time.

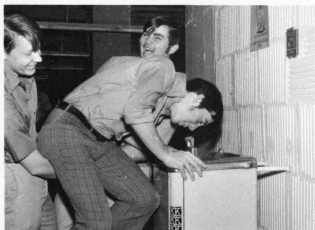

It's what's on top that counts.

I gotta go.

Well, shut my mouth.

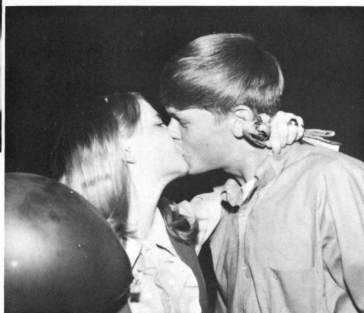

It's not what you think.

Gotcha ya!

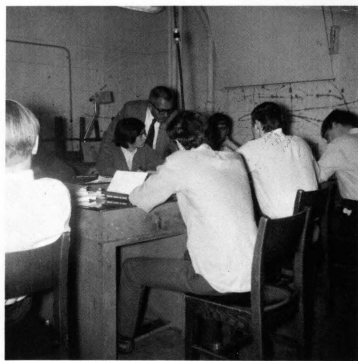

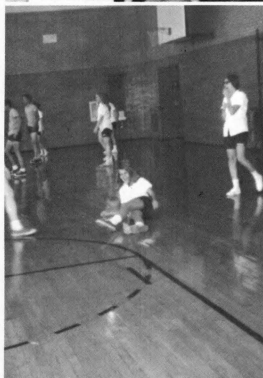

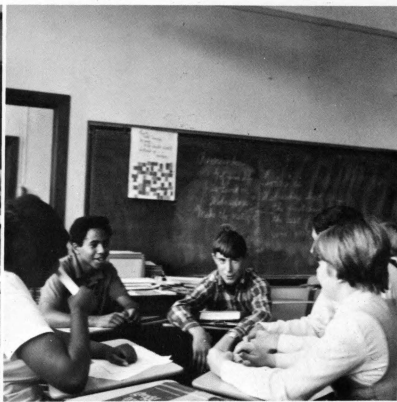

Hustle, boys, hustle.

M-m-m-m-m-m-m-m.

CLASSES

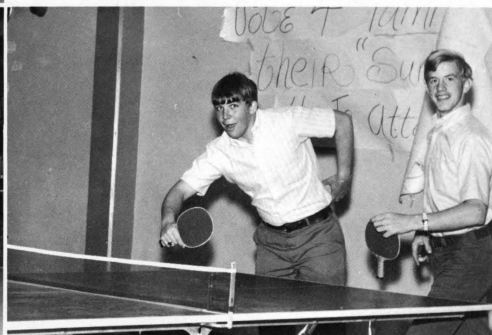

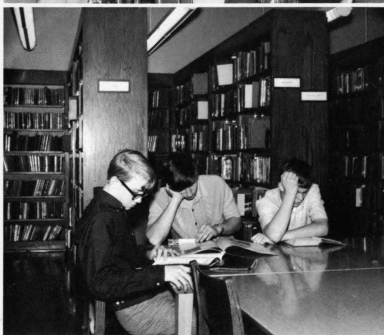

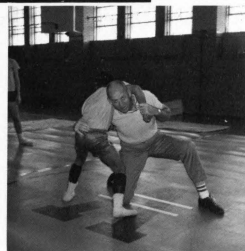

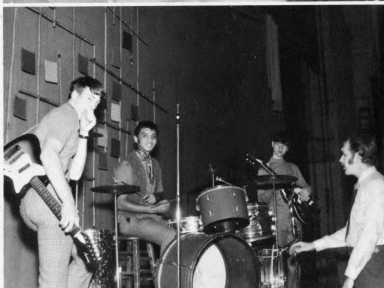

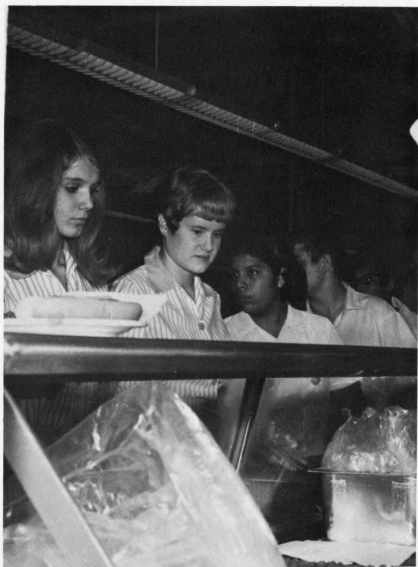

There are many types of classes at Voc. There are the loud (homeroom), the quiet (history), the humorous (modern problems), the serious (math), the intellectual (English), and the physical (gym). These different types all contribute in a positive way to the character of Voc.

ACTIVITIES

Getting involved is the "In" thing to do. Participating with other people gives self-satisfaction which is a vital part of school life. Choir, M.O.E.A., National Honor Society, as well as other activities contribute much to school spirit as well as to the spirit of the individual.

The competitive spirit abounds in the halls of Vocational. Football, baseball, hockey, swimming, as well as other numerous sports causes the student to become involved in physical activities as well as academic ones.

An aerial photograph of a city, likely Pittsburgh, showing a dense urban landscape with numerous skyscrapers and buildings. A river is visible winding through the city, and hills are in the background. The text 'TABLE OF CONTENTS' is overlaid on the top right of the image.

SCHOOL LIFE

Senior Banquet

Elegant seniors dressed in the latest of fashions with hungry appetites along with a swing polka beat! Such was the scene at the Senior Banquet held at the Holiday Inn. Master of Ceremonies was class president, Craig Kosciolk. Memorials from the class of 1970 presented to Mr. Jensen included an umbrella, canned goods without labels, a Playboy magazine and a silver trophy. After the meal consisting of Beef au Jus, Fried Chicken, Spaghetti along with hors d'oeuvres, the class danced to famous rock tunes as the Bunny Hop and the Beer Barrel Polka, played by Harry Strobel and his band.

Sadie Hawkins

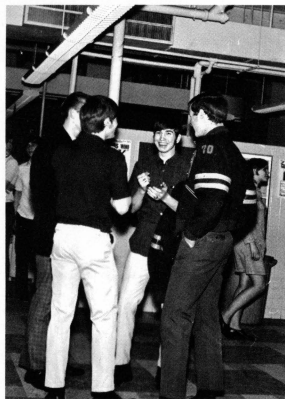

It's back to the hills of Kentucky for the grandest of the grand sports, the Sadie Hawkins Dance. It's mad-cap hilarity from start to finish, with a good dose of influential rock to step up the evening's pulse.

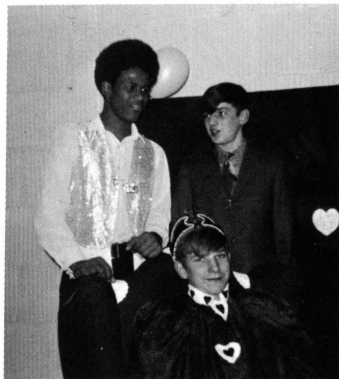

Lettermen's Dance

From a simple request to an urgent demand the music of the High Spirits stirred a responsive audience at the Letterman's Dance. The combination of a good band and the friendly sociable spirit of the evening made this dance one of the better ones of the year.

Sweetheart Dance

Standing behind the King were the Attendants, Tyrone James and Joe Mau.

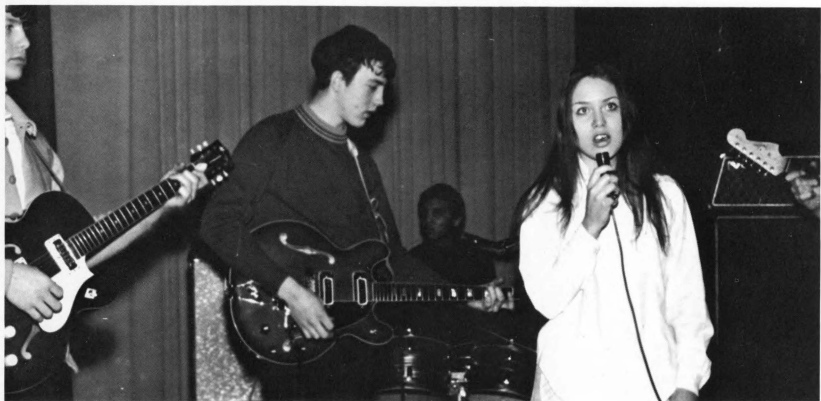

Standing on both sides of the Queen were the Attendants, (left) Cheryl Smith and (right) Debbie Buldic.

King
Mike

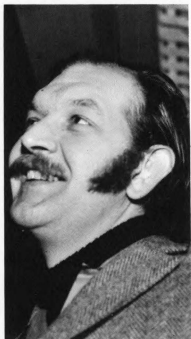

Queen
Marie

The Sweetheart Dance was sponsored by the sophomore class. This is the biggest event in your sophomore year. This year's dance was a beautiful success. A unique feature this year was that many of the students attending were dressed formally.

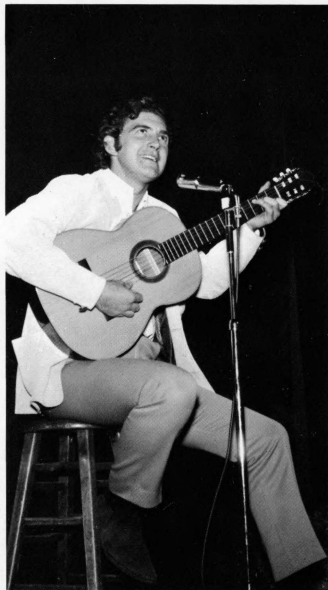

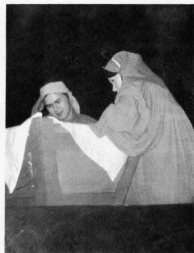

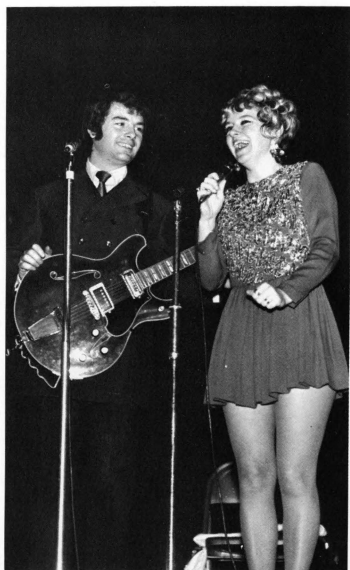

The Sex Machine

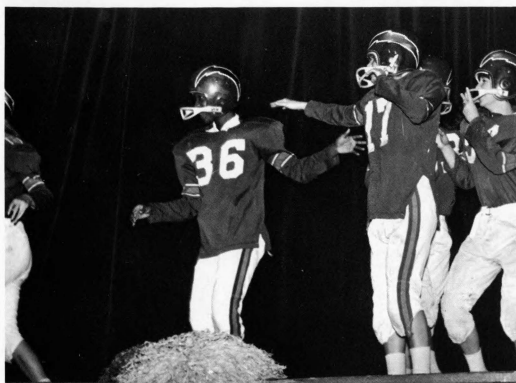

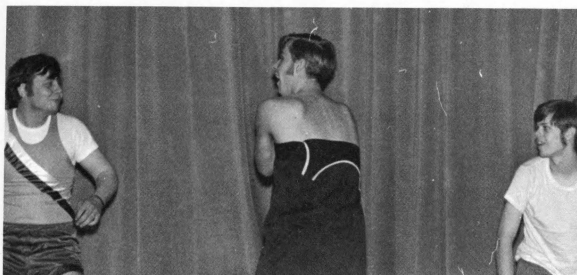

This group was formed by the leader Jim Kyle. They have worked very hard rehearsing and playing on many different occasions in parks and schools, at movies and rock concerts. They were asked to play at the Minneapolis Teachers In-Service Session. The members are as follows: Jim Kyle—drums, Bill Williams—lead guitar, Keith Din-nius—first rhythm guitar, Rick Basel—bass and all-rhythm guitar, John Jones—rhythm and Cheryl Smith—singer. Mr. John Fenn has served as the group's adviser.

Auditoriums

Red Cross

"Time for Caring" was Vocational's slogan for Red Cross this year. The homerooms donated articles for school and home use that could help the needy here in our own country as well as abroad.

M.O.E.A. Award

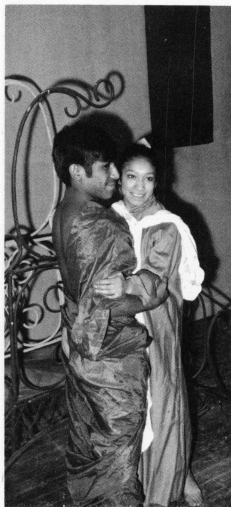

The three day convention at the St. Paul Hilton was a great success for one of Vocational's students. Judy Teclaw participated in a production typing contest with other girls from all over the state and proudly took first place.

Boys and Girls State

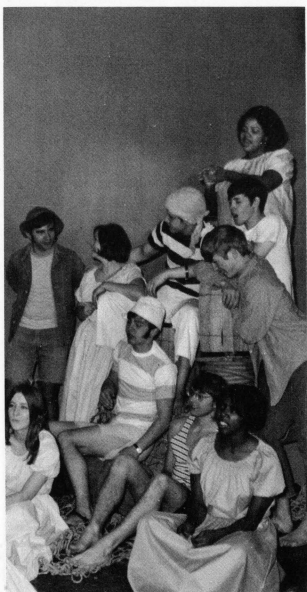

Selected girls and boys from all over the state get together in the beginning of June for Girl's and Boy's State. This is a fantasy government set up to teach the kids how their government is run. There are elections for mayor, judges, sheriffs, and the governor in the make-believe cities. Our representatives are Anita Sikorski and Stefan Litwinczyuk.

Spring Musical

"A Salute to Rogers and Hammerstein"

The first and fourth-hour drama classes combined with the Vocalaires to salute the well-known team of Rogers and Hammerstein. The students did the choreography, costumes, and settings. Songs included in the musical were from "Oklahoma", "Carousel", "South Pacific", "The King and I", and "The Sound of Music." The presentation was an original adaption by drama director, Mrs. Cynthia Anderson and musical director, Mr. C. Wesley Andersen. Soloists included Vanessa Knight, Preston Smith, Linda Carlson, Donna Hamann, Jack Klanderud, Roy Yost, Terry Moran, Keith Bosek, Craig Kosciolek, Joyce Manuel, Taffy Ayres, Paula Kuduk, Curt Hafflund, Richard Mercier, and Faye Ruedebsch.

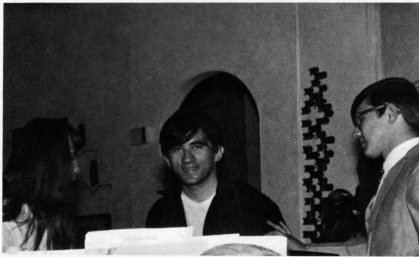

"A Man Called Peter"

Peter Marshal, a vigorous, youthful man, chaplain of the U.S. Senate, and pastor of the New York Avenue Presbyterian Church is also an inspiration as a husband and father. He dealt with the Bickle sisters and aunts who wanted no change in the New York Avenue Church, and he helped solve misunderstandings which a girl has with her parents, as well as guiding the girl and her boyfriend as they plan their future marriage. He gets a boy out of trouble by engaging in verbal combat with a U.S. Senator.

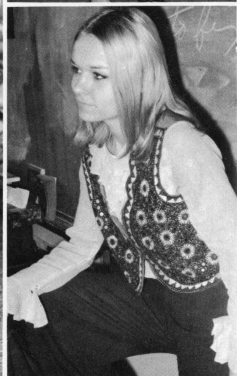

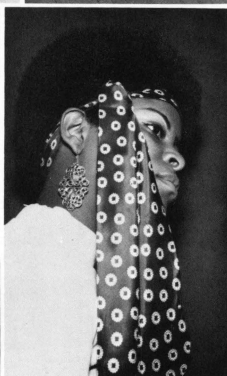

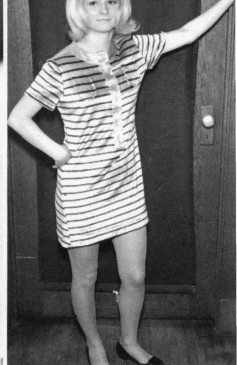

The play depicted an understanding, modern minister who guided all who came to him for help and gave each of them a part of himself.

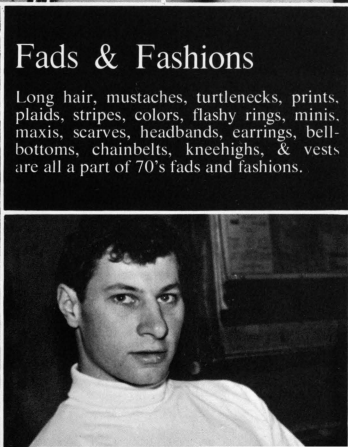

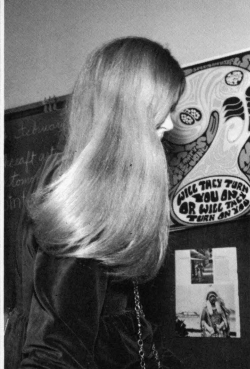

The cast included Preston Smith, Nancy Vick, Sandy Sens, Bruce Wislofsky, Claudia Bienias, John Rasmussen, David Sannes, Garold Weizenegger, Stan Straus, Ann Widmer, Brenda McCutcheon, Toni Warfield, Vicki Biddle, Robbie Ross, Carrie Anderson. The student director was Cecelia Stanley.

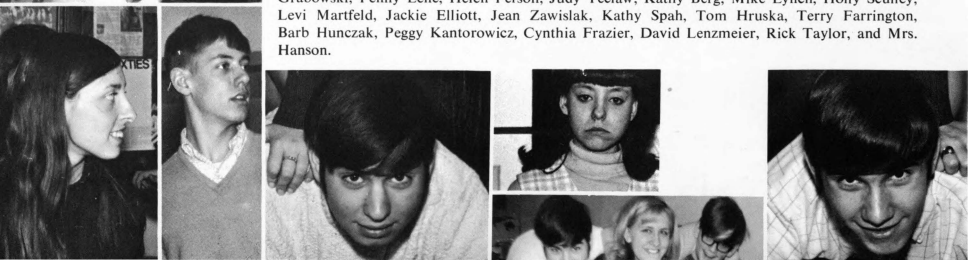

Fads & Fashions

Long hair, mustaches, turtlenecks, prints, plaids, stripes, colors, flashy rings, minis, maxis, scarves, headbands, earrings, bell-bottoms, chainbelts, kneehighs, & vests are all a part of 70's fads and fashions.

Student Council

The Student Council under the leadership of David Lenzmeier and Julie Lewis with Mr. Arthur Lindman as advisor met twice a month in the library. The members of the council were chosen in the home rooms in the first part of the year. The council sponsored Homecoming, the Christmas dance, recognition breakfasts, and Good Grooming Week.

The picture on the left shows a committee at work in the library.

National Honor Society

Each year the National Honor Society elects new members from the top ranking students in the school. Members of the Society are recognized for their character, leadership, scholarship, and service.

Minnesota Office Education Association

The Minnesota Office Education Association is concerned in part with business skills and realistic training objectives. All Senior and Post High students in business are members. The students had a winning car during Homecoming, a welcome back party for the '69 M.O.E.A. graduates, a caramel apple sale that was a big success, two conventions, and many field trips.

The 1969 graduates socialized.

Is this what a convention is like?

The calorie countdown.

G.A.A.

Every Monday after school GAA (Girls Athletic Association) meets in the girls' gym. Girls joining this extra-curricular program keep physically fit by participating in the various sports. Mrs. Lemke is the advisor of the group.

J.A.

Junior Achievement is a national company run by students who manufacture, and sell stocks to people, and return interest and profits to them. Members buy shares of stock in the article they are producing, and also reap the rewards. The main purpose of the club is to interest students in the business world.

Control Room

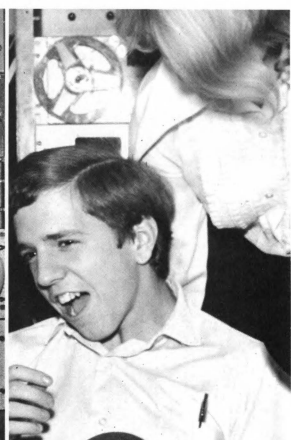

The efficiency of any school depends on its ability to communicate. The control room in the basement is the nerve-center for all of our communications. These individuals devote their voice to the airwaves at all times of the day, whenever important announcements need to be made.

"Where does this red thingamajig go?"

"Just look at all those little knobs!"

"Control yourself."

Banking

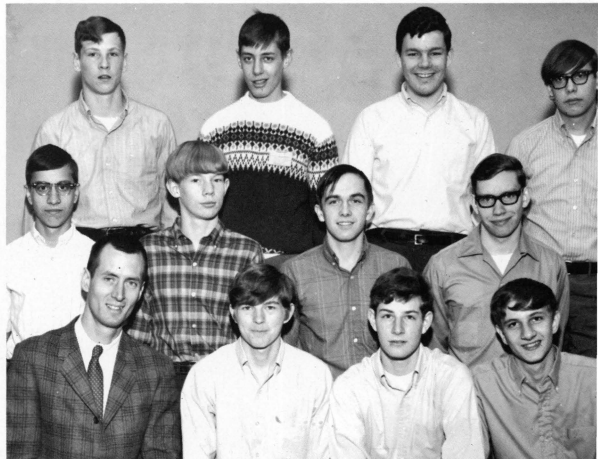

Row 1: Joyce Manuel, Kathy Jagerson, Mary Andney, Beverly Brace. **Row 2:** Jeanette Dennie, Jean Zawislak, Sandy Shipshock, Donna Hamann, Laurie Larsen, Bonnie Oliver, Debi Nascene.

Wednesday of each and every week, we as thrifty Vocational students have the splendid opportunity of saving our hard-earned cash in Farmer's & Mechanics Bank. Under the direction of Mrs. Jean Overn, students selected for their accounting skills organize the savings and send it to the bank for safekeeping. By the end of the year those who have banked regularly have not only benefited by saving their cash, but also are entitled to a free Thrift Week Luncheon.

Ham Operators

Every Tuesday afternoon, members of the Radio Ham Club meet together in room 205 under the supervision of Mr. John Cina, an electronics instructor at Vocational. In the course of their meetings they discuss many things, varying from new techniques in electronics to antenna systems. Each member is involved in Short-Wave radio training. Many own their own equipment. In order for them to operate this equipment they must know the electronic language of code and acquire a Ham License which requires much work on their part. They find their work very interesting and realize the value of this extra training in their future careers.

Stage Crew

Many times throughout this past year the faithful, hard working members of stage crew have pooled their resources and teamwork to keep in operation Vocational's "Little Theater." With their keen knowledge of sound, lighting and projection under the direction of Mr. Fenn they have been able to operate our programs with efficiency and ease.

Thespians

Our Thespians Troupe has been very active in Vocational's theater department. Much work and participation are required in order to earn the ten points necessary for membership in National Thespians Society. These points represent one-hundred hours of participation technical production and presentation of a play.

Every Monday, Wednesday, and Friday the choir of Vocational High School practices for one hour in the auditorium under the direction of Mr. C. Wesley Anderson, better known as Mr. A to his Choir. The choir has shown great enthusiasm in their singing and therefore have presented wonderful auditoriums to the students of Voc. We thank Mr. A very much for his tremendous amount of good old-fashioned patience.

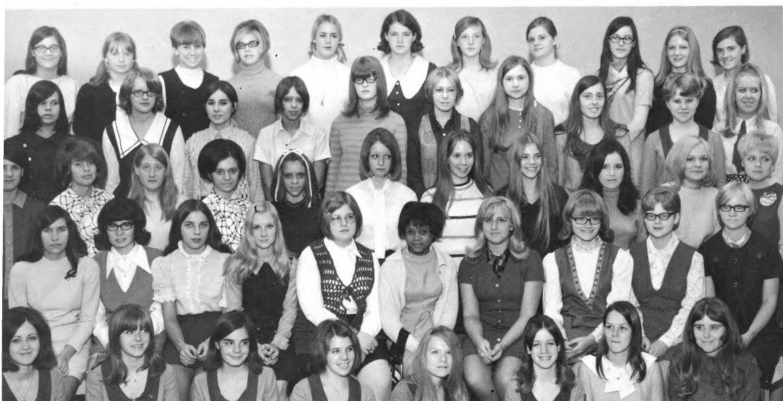

The work and effort that goes behind every play and production in the auditorium is the result of our hard-working first and fourth hour Drama class. Under the direction of Mrs. Cynthia Anderson, who is a great teacher along with being a friend to all students. She also has that knack of bringing out the real you. These inventive people put in that "personal" touch, necessary to all successful performances.

Football

What words can describe the vigorous, hard driving wall of power Voc is proud to call its football team? Conquering conquistadors of the pigskin! The defeat of West at the homecoming game as well as numerous achievements among the players themselves serve as excellent examples for future Voc teams.

Basketball

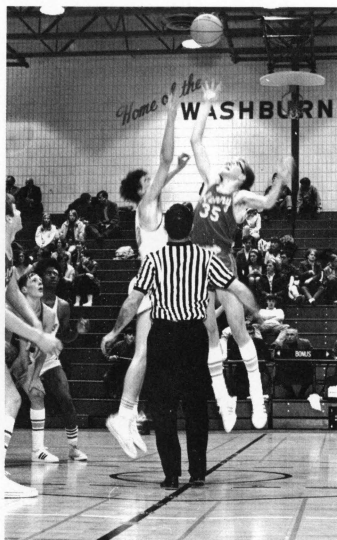

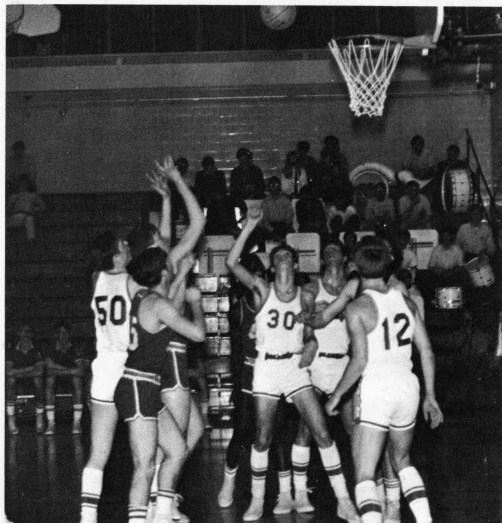

Vocational's 1970 basketball team whopped 4 non-conference opponents and 2 conference opponents. The highlight of the year was the team's trip to Menahga, where they went snowmobiling and participated in other outdoor activities. Another special event was the Christmas Tournament held in Hutchinson, Minnesota. Although the game was lost, the boys put in a lot of effort.

Coming in fast with no holds barred, the matmen put out a tremendous showing with an unexpected 7-5 win-loss record this year. Despite the big sweaty villains tossed at us from other schools, Voc remained on the top, morale and ability-wise. Much of the success of the team goes to Captains Mike Widmer and Ben Adams for making our wrestlers the most skilled in the area.

In Region 5 John and Ben represented themselves very well. John lost in the second round by a slim margin to a boy who later took third in state. Ben lost once to state champ Jeff Lamphere in the finals of Region, taking second. In state Ben came from behind in first two matches to dominate his opponents and in the third match he lost by one point. Two more seconds and he would have won. In consolation he won the first match and lost the second very closely to end up 4th in Tournament.

"Where's the mermaid?"

The elite of the underwater kingdom have done well this year, with each arm and leg stroking forward, bringing back a sure triumph for faithful fans. The swimmers are far from being "all wet". They are, in fact, positively drenched in the gifts any self-respecting hammerhead would be proud of—a swimming ability second to none.

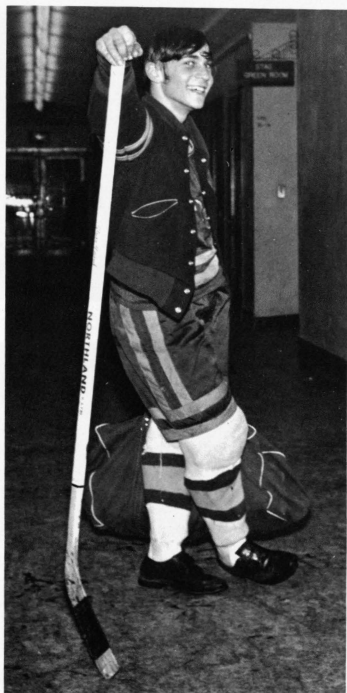

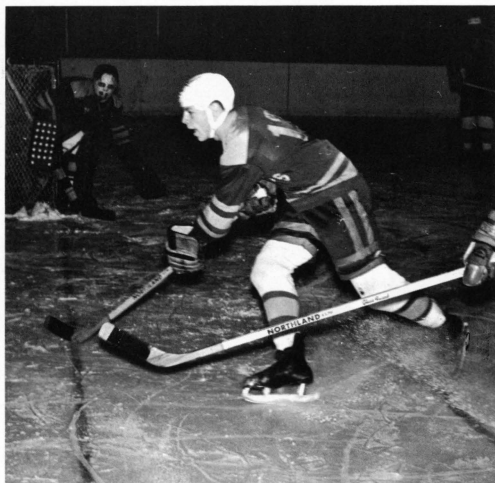

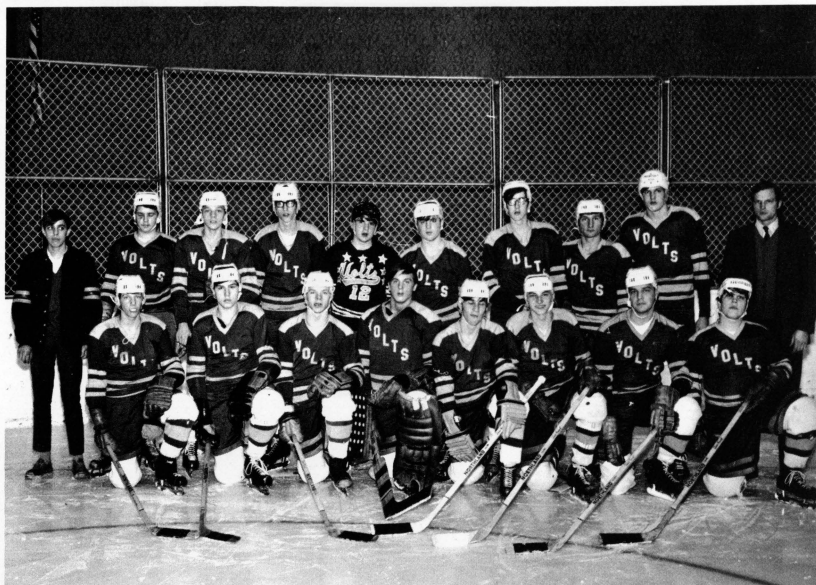

Hockey

Co-captain, Bob Prawalsky; Coach, Rick Alm; Captain, Bill Boeser.

Our polished puck pelters continue to give all opponents a run for their money while at the same time developing awesome power and speed. Coach Alm agrees that with a bit more time and practice, the team could become an avalanche of indomitable force.

Cross Country

Things can travel faster than light, a fact evident from our lightning-swift Cross Country team. Using every morsel of time for practice, and every gram of energy on the field, we of Voc can be sure that the Cross Country team will always be in the news.

Track

Often track and cross country are confused with each other. Cross Country involves mostly running, while track involves pole vaulting, broad and high jumps, shot put, as well as cross country.

Baseball '69

Baseball is a sport where size is not the vital factor. Rather it is speed, agility, and sharpness of the eye that composes a good player. Our hard working team with Mr. Voss at the helm has struggled to keep the team together after losing a number of key players through graduation.

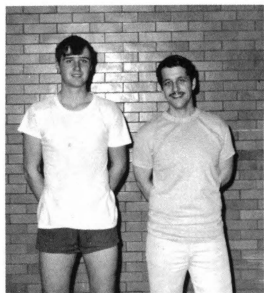

Row 1: Mike Martin, Jerry Warzaha, Dave Schultz, Brad Carpenter. **Row 2:** Mr. Voss, Roger Pederson, Charles Looby, Bob Iskierka.

Tennis

Tennis is a sport which requires quick reflexes and split-second timing. A tennis player must know his next move and execute it precisely if he wants to win his match. Under the supervision of Mr. Lindman last year and Mr. Wodarski this year, our tennis team worked long and strenuous hours putting together this fine team.

Girls' Golf

If you're walking past the girls' gym on Thursday mornings, you might be surprised to hear grunts and groans coming from within the gym. Don't be alarmed! It is only the girls' golf team being whipped into shape for the season by Coach Tenney.

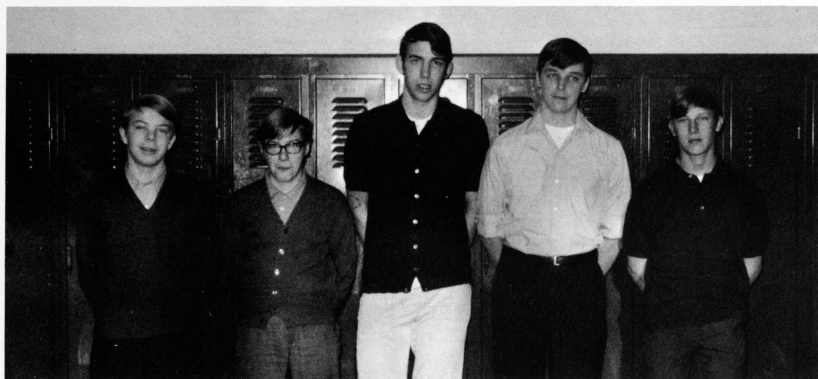

Miss Dorothy Tenney, present golf coach.

Girls returning from previous years are—**Row 1:** Loretta Yurick, Mary Blasiak, Kathy Spah, Marilyn Martinson. **Row 2:** Laurie Larsen, Claudia Bienias, Jean Zawislak, Bev Brace, Sue Stevenson.

"I know we need to practice, but shouldn't we wait until the snow melts?"

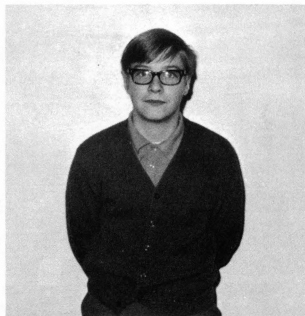

David Johnson, Tom Bartell, Steve Moran, John Menning, Frank Datko.

Boys' Golf

If you want to be a good golfer, coordination of hand and eye, stamina, and plenty of practice are the least you can get by with. The team plays other schools around the city for the city championship while gaining practical experience in a popular sport.

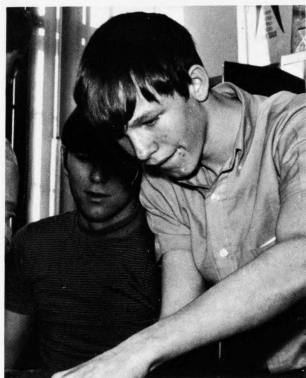

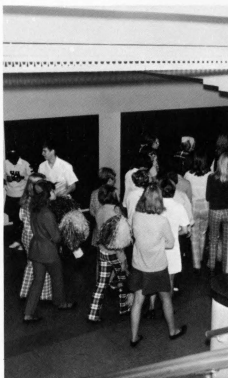

Mr. Edward Karbo, Coach.

Tom Bartell, Captain.

Administration

Mr. Norman A. Jensen, Principal

Mr. Wilfred McGimpsey, Assistant Principal

The men who administer our school affect everyone's life here at Vocational. Mr. Jensen and Mr. McGimpsey are responsible for the successful and efficient operation of our school. These men create the framework around which every activity takes place, and they have dedicated their talents to form a better Vocational High School.

AUTO MECHANICS:

This course is to prepare a graduate to go to any automobile that is not working properly, locate the trouble, and repair it or replace parts in workmanlike manner. He also learns how to treat customers. He uses special tools and equipment, much of which is electrical, to locate troubles. He learns where to find information needed to service the many makes of units used on cars.

Educating tomorrow's leaders,

BUSINESS:

The business course concentrates on office skills and personal traits and prepares the student to function effectively in a business office. The cooperative work program, which is optional to seniors, smoothes the way from classroom to full-time work. The business club, MOEA, is a vital part of the program and helps the participant become an all-round citizen.

COMMERCIAL ART / PRINTING:

Commercial Art gives the student a chance to show off his artistic abilities. He gets a chance to be a painter, sculptor, photographer, and printer.

Printing prepares a student to go out to any printing plant and succeed. There are two fields you can go into, letterpress and lithography. Craftsmen in letterpress can be compositors by (hand or machine) or a pressman. In lithography, craftsmen can be cameramen, strippers, platemakers, and pressmen.

COSMETOLOGY & BARBERING:

Cosmetology consists of both high school and post graduates. This course requires 1500 hours of training in all types of hair and beauty treatments and an examination given by the Minnesota Board of Hairdressing and Beauty Culture.

The Barbering department offers this course to post graduates only. After this course, students are prepared to take the State Board Barbers' Examination. This will enable them to work as an apprentice in a barber shop. After they have finished this apprenticeship, they take another test to get their journeyman's license.

ELECTRICITY:

What is Electricity? To some a shocking experience! To others a rewarding knowledge of how to change a wall socket and save yourself some money. Yet for others it's security knowing everyone uses electricity. Meaning, where there is a need, there must be somebody to fill that need, a Vocational graduate.

Developing Pride,

MACHINE SHOP, WELDING, SHEET METAL:

The best-equipped student machine shop in the city serves us right here at Vocational. Each student spends at least two to three hours in the shop learning on new exceptionally well-kept equipment. Beginning with small projects, the trainee works his way toward more intricate and precise machinework. We pride ourselves in having employers select choice students from our senior shop graduating class.

Effective English communication is one of the most important and complex abilities in our society today. Our English department meets the needs of the students in three basic areas: first, the ability to read and appreciate, with reasonable comprehension; second, the development of basic competence in student writing, and finally, the ability to communicate through the medium of speech. These needs are met by the offering of a three-year course in English to each and every student from sophomore to senior.

SOCIAL STUDIES:

Two years of Social Studies are required. The course consists of one year of history and one year of modern problems. This is in order to prepare students for all activities related to citizenship in our democracy.

After discovering the successes and failures of our forefathers, we can determine the specific problems we will face in our present and future society by studying the modern problems the world may encounter.

Farewell

To our retiring principal, Norman Jensen and the assistant principal, Wilfred McGimpsey, we dedicate this book. We sincerely appreciate their many years of service, advice and guidance.

"We're aiming for the sky . . ." says Vocational's school song. This book can only partially hold the dearest of memories. For the sophomores the year of "trial and error" is over. Juniors look on to their final year. Seniors look back to recall their accomplishments. Remember the first time you walked in circles searching for a class, not knowing you were on the wrong floor, you bought your first ticket to get into the 5th floor pool, you worked behind the scenes for the school play, you received your class ring, you got hit in the face with a giant snowball on Sno-Day, you saw your classmates as ladies and gentlemen at the Prom? These are only a few of the many fond memories we shall think of as we walk down the aisle on graduation night.

To Vocational I say farewell, and thanks for everything.

The first of these is the fact that the
government has a duty to protect the
rights of its citizens. This duty is
not limited to the rights of citizens
who are currently in the country, but
extends to the rights of citizens who
are abroad.
