MORNING HAS BROKEN

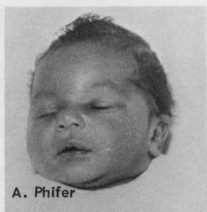

Morning has broken
like the first morning
blackbird has spoken
like the first bird
praise for the singing
praise for the morning
praise for them springing
fresh from the world

Sweet the rains new fall
sunlit from heaven
like the first dew fall
on the first grass
praise for the sweetness
of the wet garden
sprung in completeness
where his feet pass

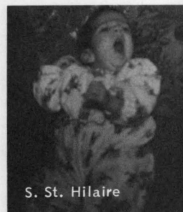

Mine is the sunlight
mine is the morning
born of the one light
Eden saw play
praise with elation
praise every morning
God's re-creation
of the new day

PIE T H R O W

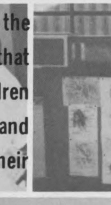

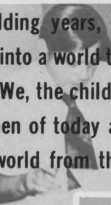

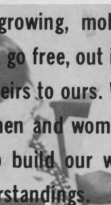

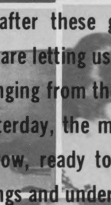

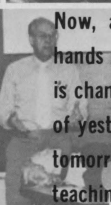

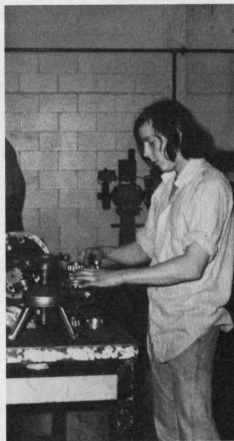

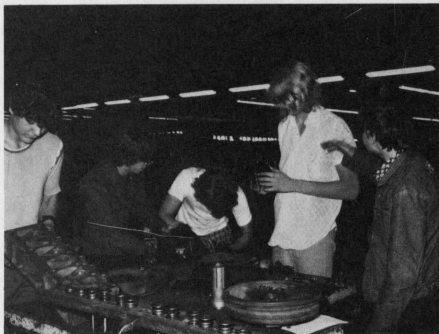

In the years that have passed, we have all grown from the young mind to a strong, sturdy being that has been prepared for a career suited to our talents. We, the children of wisdom who wouldn't know the right from the wrong, brought forward by hands that have shown us what life really is, await our chance to build our world.

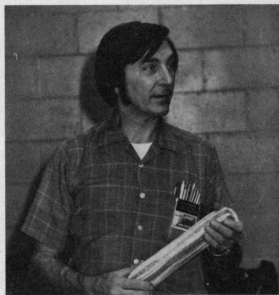

Now, after these growing, molding years, the hands are letting us go free, out into a world that is changing from theirs to ours. We, the children of yesterday, the men and women of today and tomorrow, ready to build our world from their teachings and understandings.

TRANSPORTATION CENTER

Here at 1001 Second Avenue North, wrenches, screwdrivers, nuts, and bolts are flying in all directions. This is the Auto Mechanics Division of Vocational in operation. The year-old center offers extra space for added training, giving more students an opportunity for the trade. So, if your car is in need of a tune-up, drive right in and watch these talented mechanics at work.

Coach Helen Brennan

The Girls' Tennis Team, under the fantastic coaching of Helen Brennan, had a great season; it's the attitude of "never say die." If they didn't win, they put up a never ending fight. When a team gets compliments from both other team players and other team coaches on what a great team Vocational's Girls' Tennis Team is, you know they've come a long way and done a great job in the process.

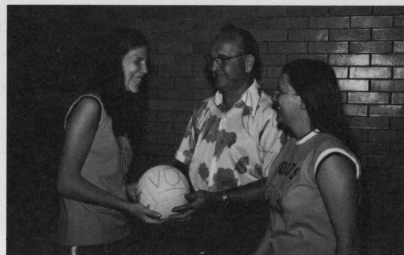

Patti Eide, Loretta Tiedens, Jennifer Burke, Mary Earl.

Vocational's Cross Country team practiced hard. They ran around Lake of the Isles and up and down hills. Girls were an addition this year with four girls on the team. The best time for the girl's two mile run was 15 minutes and 43 seconds set by Mary Earl. The best time for the boy's three mile run was 16 minutes set by Steve Sutton, breaking Vocational's previous record.

This year's Boys' Basketball Team didn't have the height they needed, but the team did have quickness and a balanced defense. They played much better than the record shows. We owe a lot of credit to our guys for working so hard.

The Girls' Basketball team was something special for Vocational this year. It was a team that proved to many it could be done. The performance of all nine girls lead them to the City Conference Championship, an honor Vocational hasn't had for 23 years. The coaching provided by Dick Chambers was an important part of the team's success. Discipline, patience, determination, and the will to win were a few of the qualities shown by both coach and team. This shows Voc does have what it takes to become a winner. Thanks, girls!

HOCKEY PLAYERS

Vocational did not have a hockey team this year but we did have some determined men who went back to their home team to play.

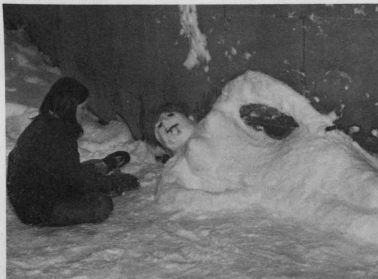

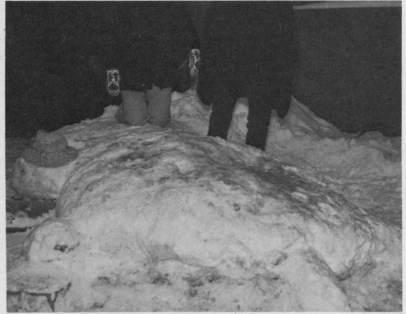

RUSTY GIESKE became a regular on Central's first line.

BRUCE THOMPSON started to play for Central but was not eligible because he lived in another school district.

PAUL DEMARAIS, last year's All City goalie, has really contributed to the great season Washburn had.

JOHN JESSO and **MIKE QUALLEY** assisted North's efforts. **JIM RUF** started the season with West and played Junior A hockey.

On the 29th of January, the Seniors met in the lunchroom for breakfast. After breakfast they went to the gym for a few fast-moving volleyball games, then outside to see who would make the best snowman. They got a bite to eat before getting on the bus to hit the hills. At Theodore Wirth Park King Bobby Evans and Queen Sandy Nelson were crowned as Seniors enjoyed winter activities. A good day to remember!

Though not many people came to the Junior Council Fifties Dance, those who did seemed to enjoy themselves. It offered a chance for friends to get together and have fun.

A distant clock
ticks away
the seconds,
minutes, and hours
of our lives
and we stop to realize
that time has crept
up on us.
From where we once sat,
lost in the never-
ending dreamworld
of quiet happiness,
time has come to us . . .
at last
we've reached the ever-
awaited time
and we are called upon
to pick up the pieces
of our lost empty dreams
and start over again.

And now time has left us groping.
Where can we turn?
What do we do? Which way to go?
Who can help us?
No one; my friend. Time will not wait.
For searching eyes
and a questioning mind
Life can be hell.
And perhaps it is.
But that is what
we must learn
as we lock up
our false dreams
and hopes.
Because it's time to search
for our future.

Here's to Old Vocational!
We'll fly your banners high
We'll fight to win the game--
this is our aim--we're aiming
for the sky. Rah! Rah! Rah!
We won't weaken this is our theme,
For our school has spirit supreme.
Go! Go! Go! We're all for you,
and our colors will carry through.
